8th Grade Forecasting

8th grade students are in the process of forecasting for High School. If your child is going to Bend Senior High School or Summit High School next year, they should have brought home a forecasting sheet for parent review today. Summit High School freshman will need to have their forms signed by a parent and returned to school as soon as possible. If your child is going to Mountain View High School next year, they will be forecasting for their classes on April 6th. If you have any questions, please call Wendy at 541.355.2000 or email her at wendy.winchel@bend.k12.or.us.
