No School Days!

Just a reminder that there is no school this Thursday, 10/27 and Friday, 10/28. Have a wonderful four-day weekend! Spend some time doing fun and educational things: take a geological hike, investigate geology, look for evidence of changes in the season, learn about the birds that are migrating, make your own Halloween costume, try baking some new pumpkin recipes to share, collect leaves, take a walk along the river, visit the library, and get a library card!

Harvest Celebration

We will be celebrating the harvest on Monday, 10/31. We will be going on a Fun Run, doing arts and crafts, making some delicious treats, and having a lot of fun! Please have your child wear their costume to school, but leave any masks in backpacks until they are at school. Please do not bring scary masks to school, we want everyone to feel safe and have a good time. Your child doesn't have to wear a Halloween costume. It could be a fun, homemade costume, just something fun they'd like to wear, or regular clothes. Please note that small pieces to costumes are easily lost. It is suggested that small pieces stay at home so that they are ready for trick-or-treating and Halloween fun on Monday night. Also, please do not bring candy to school. We have several fun treats planned already.

We are looking for parent volunteers to come help with our Harvest Celebration. If you are available to come help, please call the office at 541.355.2000.

Sparrow Clubs

We had our Sparrow Club Assembly today at school! WVMS is proud to announce that we are hosting a Sparrow Club again this year! For those of you unfamiliar with Sparrow Clubs, you can check out the program at www.sparrowclubs.org. It's a great non-profit organization that helps kids in medical crisis while encouraging healthy kids to think outside of their own scope of life. Our Sparrow this year is one of our alumni, Anya Rozek. She is a vibrant and caring young lady, and we are excited to support her. Kids can help raise money for Anya's family by completing community service hours. Deschutes Brewery has graciously offered to donate \$10 for every hour of community service that our kids do, up to 256 hours. There are community service vouchers to fill out that are available in the office. If you have any questions, please call the office at 541.355.2000.
