Beach Trip Success!

The Older/Elder Beach Trip was an enormous success! The kids were troopers and accomplished a huge amount of learning while having loads of fun. They dissected squid and did an extended estuary investigation with Hatfield Marine Science Center, saw several whales and investigated crabs while whale-watching, participated in a beach clean-up with SOLVE and The Surfrider Foundation, explored hundreds of fossils with The Oregon Fossil Guy, experienced the Newport Aquarium, visited with the Oregon Department of Fish and Wildlife to learn about coastal ecology and conservation, played on the beach, swam at the new Newport Aquatic Center, and had an all-around fantastic time!

Thank you to all of our awesome volunteer chaperones who helped to make our trip a giant success: Alex Maynard, Andres Fernandez, Andrew Mowry, Anna Goodwell, Billee Garcia, Bret Madrigal, Brian Kerr, Carlos Garcia, Chris Barlow, Christine King, Cindy Brennan, Im Ranzuglia, Jeff Orr, Jesse Olstad, Joanie Krehbiel, Jonah Lloyd, Kerri Hanlon, Meg Butschy, Rob Flanagan, Seth Fridae, Tor Naerheim, Ms. Lovely, Cassandra Wheeler, Elena Blackman, Andie Edmonds, Angela Keranen. Thank you also to WVMS staff; Ms. J, Ms. P, Ms. V, Ms. Alice, Mr. Bluhm, Mr. Jimmer, Ms. Felicia, Mr. Gabe, Mr. Rob, Ms. Kelly, and Ms. Maggie. We wouldn't have been able to do this trip without all these incredible people!

Spirit Week

Next week is Spirit Week!

Monday is "Dress as What Makes You Happy Day."

Tuesday is "Crazy Hair Day" - Wear a hairstyle from a different culture, or wear a hairstyle that makes you smile.

Wednesday is "Superhero Day" - Wear a Superhero costume of a hero who helps people through kindness and empathy.

Thursday is "Career Day" - Dress as what you might like to be when you grow up & learn about different careers.

Friday is "Twin/Triplet Day" - Get closer with friends and dress the same!

End of Year iPad Info

Soon our school will be collecting iPads for storage over the summer. Students should backup the work and photos they would like to keep. There is an icon on all student iPads called "How to Backup." This will take them to a website that will give them instructions on how to backup their work and photos. WVMS will be doing iPad roll-in on Wednesday, June 21st.

District issued cords and bricks must be turned in with your iPad: We understand normal wear and tear occurs. Cords that are damaged beyond normal wear and tear or are lost will be charged \$5 per cord and/or \$20 per brick. (Per your user agreement, cords & bricks are not covered by insurance. You must pay for lost or damaged cords/bricks at the time of check-in the last week of school).

We are also in need of volunteers to help with iPad Roll-In. If you are available to help on June 21st, please e-mail Felicia at felicia.anderson@bend.k12.or.us.

Did You Know?

You can earn money for Westside Village over the summer and all year long by shopping through Amazon Smile. Simply use the link below (or go to smile.amazon.com and choose Friends of Westside as your charity) and shop as you usually would with Amazon, and .5% will be donated back to WVMS. It's that easy! We have already earned \$57 through this program, and with your help we can easily do more. Thanks for your support!

Kindness Club Art Supply Drive

The WVMS Kindness Club is having an art supply drive! They are collecting new or gently used markers, crayons, colored pencils, art pencils, scissors, glue, paints, paint brushes, art paper, craft supplies, and just about anything you can use to make art. They are collecting supplies to send to Mi Casa International, the orphanage in El Salvador that is supported by our friends at Coffee4Kids. There is a donation bin in the office for any supplies that you bring in. Thanks for your support!

Before & After School Clubs

Please note that there is no early release on Wednesday, June 21st. Clubs will run their normal length of time, but starting at 3:45pm instead of 2:00pm. Also, please note that there are no after school clubs on the last day of school, Thursday, June 22nd.

Curriculum

Students are becoming "student curators" and are creating a museum exhibit to show at the WVMS Museum of Natural History at the end of the year. They are engaging their audience by choreographing their research stories: guiding people through the physical space, sequencing their exhibit, layering information, and using projects they have made to create the story of their topic. They are thinking about how to display their exhibit for their target audience(s) and hoping to inspire and motivate curiosity in others about their research topic. They are really excited to share their work with our parent community!

Students have been absolute rockstars plugging away at their assessments! They've shown perseverance and determination. Great job, kids!

Parent Community Coffee

The Parent Community Meeting scheduled for Friday, June 9th has been rescheduled for Friday, June 16th from 9:00am - 10:00am. This will be our last parent coffee of the year. Please join us for snacks and school updates from Ms. J. See you then!

End-Of-Year Celebration

On Wednesday, June 21st, we will be celebrating our fantastic school year! Parents and family members are invited to a burger and hot dog BBQ at noon. Cost to non-students is \$3.75. We hope you'll be able to join us!

At 4:30pm, we will be celebrating students' culmination of knowledge with the WVMS Museum of Natural History! Please come check out all of the fabulous museum displays and enjoy a refreshing salad and bread dinner. A short performance will follow museum tours. We're excited to share all the wonderful things we've learned during research with families!

Summer Camps With Ms. Lovely

Miss Lovely's Sing, Dance, Act! Learn to sing like a professional, practice vocalizing techniques, enjoy choreography and move to international music.
